AMNESIA IBIZA COURIERBAG

UB0029450BL

We teamed up with Amnesia Ibiza - one of the most iconic clubs on the planet - to drop a CourierBag that carries more than just gear. It carries history, nights that never end, and the energy of global DJ culture.

Built for DJs on the move, this bag holds approximately 40 records - perfect for those who travel light but play heavy. Your essentials stay locked, protected, and ready, whether you're heading to the club, the airport, or straight to afterhours.

Smart storage, no wasted space. The front flap keeps your paperwork and key documents in check. Around the back, a zipped pocket handles your personal essentials. On the side, a neoprene pocket keeps your water bottle within reach. Finished with a comfortable shoulder strap built for long nights and longer journeys.

Lightweight. Durable. Ready for the grind.
