

CARTRIDGE HARDCASE

U8420BL

A Digital DJ looking for a professional, durable case solution for your turntable cartridges? Then don't look further as UDG has developed a super-light EVA Hardcase designed for life on the road. The UDG Creator Cartridge Hardcase is constructed from durable, lightweight compression moulded EVA material with a laminated durable fabric exterior. The case provides protection against drops, scratches & liquids. Skillfully designed & moulded to fit several cartridges, this case is perfect for the travelling DJ's that needs to protect their cartridges.
