ABLETON MOVE HARDCASE

U8511BL

Are you a digital DJ/producer looking for a professional, durable case solution for your Ableton Move? UDG has developed a super lightweight EVA hardcase designed for life on the road. Constructed from durable, lightweight compression-molded EVA material with a laminated durable fabric exterior, this case provides protection against drops, scratches & liquids. Skillfully designed & molded to fit the Ableton Move, this case is perfect for the traveling DJ/producer who needs to protect their equipment.

FEATURES

- Fits Ableton Move
- Main cover material 600D polyester with 5mm EVA durashock molded body
- Water-repellent durable fabric exterior
- Protective egg-crate foam prevents damage from vibration & shock
- Soft black fleece interior
- Removable divider for extra cables or power adapter
- Heavy duty handle
- Easy-grip zipper pulls
