

DIGI TROLLEY TO GO

U9880BL/OR

Constructed from heavy duty Nylon, with a solid body structure, the new UDG Digi trolley bag with in-line wheels and a two stage-trolley handle is the ideal trolley for those long airport walkways. Built for the frequent flying DJ, with room for your valuable digital gear, it has a large central compartment to place Tone Control vinyl, a removable divider with an organiser section for your audio interface and headphones and an padded laptop sleeve to fit a 15" MacBook Pro. With two external compartments to securely store USB sticks, SD cards, AC power adapters, compact camera's, MP3 player, and other accessories this is the right product for the job.
